The infographic features a purple silhouette of a person pushing a shopping cart on the left. On the right, there are four shelves of grocery items. The top shelf has purple bottles labeled 'Drink' and green bottles. The second shelf has various fruit and vegetable boxes. The third shelf has red and yellow bottles. The bottom shelf has green boxes labeled 'Pasta'. Two yellow callout boxes point to the top and second shelves, labeled 'Check Sugar' and 'Check Sodium' respectively.

When it comes to keeping children healthy, often it's up to mom, her shopping list, and her imagination in the kitchen. With nutritionists and dietitians on hand to help, WIC helps the whole family eat better.
